TID-202/65  
19 August 1965

MEMORANDUM FOR: Assistant for Plans and Development

ATTENTION: [REDACTED] 25X1A

SUBJECT: Instrument Vacuum System

REFERENCE: TID Memo 10/65

1. TID has been notified that P&DS is about to consider action on reference request. In lieu of the time lapse since submission of the request and subsequent developments in clean-room philosophy and current operating procedures, TID feels a review of its requirements is in order before action to obtain subject systems is initiated.

2. Request P&DS temporarily withhold action upon TID's referenced request until a review of current requirements is made. TID will advise P&DS of its current needs together with present recommendations by 31 August.
